

The Teachers' Circle Membership Terms & Conditions

Yoga by Nature Ltd

These terms apply to membership of The Teachers' Circle and participation in the free Yoga by Nature Teachers Network. By purchasing a Teachers' Circle membership, you agree to the terms below.

1. The Teachers' Circle

The Teachers' Circle is Yoga by Nature's continuing education, mentoring, practice and professional community for yoga teachers.

Membership is available on an annual or monthly basis and may begin at any time during the year.

Membership is personal to the individual who purchases it and may not be transferred or shared with another person.

2. Annual Membership

Annual membership costs **£300** and runs for 12 months from the date the membership begins.

Annual membership provides access to the Teachers' Circle programme available during the member's 12-month membership period, subject to the programme schedule.

Payment for annual membership is made in full at the beginning of the membership period.

Annual membership does not automatically entitle a member to events or activities taking place outside their 12-month membership period.

3. Monthly Membership

Monthly membership costs **£35 per month**.

Membership may begin at any time and renews automatically each month using the payment method selected when joining.

Members may cancel their monthly membership at any time. Cancellation can be managed by the member through their account.

Cancellation prevents the next monthly payment from being taken. Membership and access to member benefits continue until the end of the period already paid for.

Payments already made for the current membership period are non-refundable.

4. Yoga by Nature Trainee Discount

Current trainees enrolled on an eligible Yoga by Nature teacher training programme receive **50% off Teachers' Circle membership** while they are eligible for the trainee discount.

The discount is for the trainee's personal use and cannot be transferred to another person or combined with another membership discount.

Eligibility may be checked by Yoga by Nature.

The trainee rate ceases when the trainee is no longer eligible for the discount. Graduating trainees may instead be eligible for the new graduate offer described below.

5. New Graduate Membership

New graduates of an eligible Yoga by Nature teacher training course may purchase their first annual Teachers' Circle membership for **£250**, a £50 reduction on the standard annual membership price.

To receive the graduate rate, membership must be purchased **within six weeks of certification**.

The graduate rate applies to the qualifying annual membership only. Subsequent annual memberships will be charged at the membership rate applicable at the time of renewal unless another offer applies.

6. What Membership Includes

The Teachers' Circle programme currently includes:

- Monthly 90-minute practice classes
- Three extended practice series during the programme year
- Four online mentoring and peer-support sessions
- Two 3-hour CPD workshops
- Access to available recordings and the Teachers' Circle practice/resource library
- 50% off eligible one-to-one coaching
- £75 off the standard price of the Teachers' Retreat weekend
- Reduced-price Teachers' Retreat Days

The programme operates throughout the year with scheduled breaks.

The exact number of sessions available to an individual member will depend upon when their membership begins and the published programme calendar.

7. Joining Part-way Through the Programme Year

Membership may begin at any time.

The Teachers' Circle follows an annual programme, and membership beginning part-way through the programme year does not cause previously scheduled live sessions to be repeated.

Where recordings of previous eligible sessions are available, members will be able to access these as part of the Teachers' Circle resource library during their membership.

Members are encouraged to check the current programme calendar before joining.

8. Live Sessions and Recordings

Most Teachers' Circle sessions take place online. Selected CPD workshops and other events may be offered in a hybrid format, allowing participation either online or in person.

Yoga by Nature intends to record appropriate practice classes, practice series and other specified sessions for the member resource library.

Not every live session will necessarily be recorded. In particular, mentoring sessions or discussions involving personal or confidential contributions may not be recorded, or only selected teaching portions may be made available.

Technical problems may occasionally prevent a recording from being made or made available. The availability of a recording is therefore not guaranteed unless an event is specifically sold as including recorded access.

Recordings and resources supplied through membership are for the member's personal and professional learning only. They may not be copied, distributed, shared, sold, uploaded or made available to another person.

9. Mentoring Sessions

Teachers' Circle mentoring provides professional discussion, peer support and general guidance for yoga teachers.

Mentoring does not constitute legal, financial, medical, psychological or other regulated professional advice.

Members remain responsible for their own professional decisions, teaching practice, business decisions, insurance, legal obligations and scope of practice.

Members are asked to respect the privacy of other participants. Personal information or experiences shared by another member during a mentoring session or within the community should not be shared outside the group without that person's permission.

10. One-to-One Coaching Discount

Teachers' Circle members receive **50% off eligible one-to-one coaching**, reducing the current standard rate of £80 per hour to **£40 per hour**.

The member must have an active membership at the time the coaching session takes place.

Coaching appointments are subject to availability and any separate booking and cancellation terms applying to one-to-one sessions.

The discount cannot be transferred to another person.

11. Teachers' Retreat Discount

Members with an active Teachers' Circle membership receive **£75 off the standard £300 Teachers' Retreat weekend price**, making the current member price £225.

Where applicable, a **£50 single supplement** is charged separately.

Members may also book eligible Teachers' Retreat Days for **£35**, compared with the standard non-member price of £50.

Retreat places are subject to availability and separate retreat booking terms and cancellation conditions.

Membership does not guarantee a place on a retreat.

The member must have an active membership at the time of the retreat in order to use the member rate.

12. Booking Events Without Membership

Yoga teachers do not have to be Teachers' Circle members to attend eligible individual events.

Current non-member prices are:

- Monthly practice class: **£16**
- Practice series: **£18 per individual class**, where individual booking is available
- Six-week practice series: **£100**
- 3-hour CPD workshop: **£60**
- Teachers' Retreat Day: **£50**
- Teachers' Retreat weekend: **£300**, plus any applicable single supplement

Availability and prices may change. The price displayed when booking will be the applicable price for that event.

Mentoring sessions and other activities identified as members-only are not available for individual non-member booking.

13. Missed Sessions

Membership provides access to the Teachers' Circle programme rather than guaranteeing attendance at a particular number of live sessions.

No refund, credit or extension of membership is given where a member is unable to attend a scheduled session.

Where an eligible recording is available, members may use the recording instead.

14. Changes to the Programme

Yoga by Nature may occasionally need to change the date, time, teacher, location, delivery format or content of a scheduled session.

Where reasonably possible, members will be given advance notice of significant changes.

If a live session has to be cancelled, Yoga by Nature will make reasonable efforts to reschedule it or provide an appropriate alternative.

Minor changes to the programme do not entitle members to a refund of membership fees.

If Yoga by Nature makes a substantial change that materially reduces the membership programme, any appropriate remedy will be considered in accordance with the member's statutory rights.

15. Membership Prices

Yoga by Nature may change membership prices from time to time.

Any change to the monthly membership rate will be communicated before it applies to an existing member's future payments.

Changes to annual membership prices will not affect an annual membership that has already been paid for and is currently running.

16. Ending or Suspending Membership

Yoga by Nature reserves the right to suspend or terminate membership where there has been serious or repeated inappropriate behaviour, harassment, abuse of another member, misuse of membership resources, sharing of protected content, non-payment or another significant breach of these terms.

Where appropriate, Yoga by Nature will normally contact the member before taking this action.

17. The Yoga by Nature Teachers Network — Free Community

The Yoga by Nature Teachers Network is a free online community for yoga teachers.

Members of the free Network may:

- Participate in the group chat
- Post questions and contribute to discussions
- Share appropriate information and resources
- Access bonus articles and resources made available to the Network
- Receive information about forthcoming Yoga by Nature events, workshops, CPD, practices and retreats

Joining the free Teachers Network does not provide access to paid Teachers' Circle sessions, recordings, mentoring or member discounts unless specifically stated.

18. Community Guidelines

Both the Teachers' Circle and the free Teachers Network are intended to provide respectful and professionally supportive spaces.

Participants are expected to communicate respectfully, maintain appropriate professional boundaries and respect the privacy of other participants.

The groups should not be used for spam, repeated unsolicited promotion or content unrelated to their purpose.

Constructive professional disagreement is welcome. Personal attacks, discriminatory or abusive behaviour, harassment or repeated behaviour that disrupts the community is not.

Yoga by Nature may remove content or remove a participant from a group where necessary to protect the community or its members.

19. Sharing Professional Information

Members may share professional experience, teaching ideas and resources within the community.

Each teacher remains responsible for assessing whether information shared by another participant is appropriate for their students, qualifications, insurance and scope of practice.

Participation in the Teachers' Circle or Teachers Network does not constitute endorsement by Yoga by Nature of services, products, advice or information shared by individual members.

20. Intellectual Property

Teaching materials, videos, recordings, handouts, written resources and other materials supplied by Yoga by Nature remain the intellectual property of Yoga by Nature or the relevant contributing teacher unless otherwise stated.

Members may use what they learn to inform and develop their own yoga teaching.

Course materials and recordings themselves may not be reproduced, republished, distributed, sold, uploaded, shared with students or used to create another training product without permission.

21. Privacy

Personal information is handled in accordance with Yoga by Nature's Privacy Policy.

Participants should be aware that their display name, contributions and other information they choose to share within an online community may be visible to other members of that community.

Members should not copy, screenshot, record or distribute another participant's personal contributions without permission.

22. Statutory Rights

Nothing in these terms affects your statutory rights as a consumer.

Where UK consumer law provides cancellation, refund or other rights that apply irrespective of these terms, those rights take precedence.

23. Contact

Questions about Teachers' Circle membership, payments or these terms should be directed to Yoga by Nature through the contact details provided on the Yoga by Nature website.
